A screened-in porch opens into an open floor plan with several designer amenities. The kitchen is airy and white, complete with a stainless steel refrigerator and appliances including a dishwasher, range and built in microwave. A tiled backsplash, designer lighting and custom window treatments complete the look. A center island adds even more counter space, seating and storage to the kitchen. White shaker cupboards add charm to the area. Beachlike ashen gray hardwood laminate flooring runs throughout the home. The master bedroom features a custom closet for the shoe-lover in you.
